

be followed by others, if the business will sustain the line, and proposals are out for a line of steamers from Australia, for which one half the stock is stated to be already subscribed. In these lines, it is generally established, will largely increase the traffic of the Panama road. The latter would turn all the travel between Australia and England over this route. The President of the Company may be consulted at the office of Messrs. Chapman & Roberts, No. 90 Water street, where copies of this statement and other necessary information can be had.

Markets—CAREFULLY REPORTED FOR THE TRIBUNE

Interest short..... \$69,000
Bank..... 190 00

Of this there was a dividend in June, 5 per cent..... 20,000

Leaving..... \$69,000

for the January dividend, which is over 9 1/2 cent on \$4,200,000, and 15 1/2 cent for the year. If the Company divides 6 1/2 cent, as in June, making 12 1/2 cent for the year, there will be a surplus to meet the expenses of about \$125,000. The estimates made by Col. Totten of the business of 1856, show a much larger result.

The Cotton market is held at 10c. advance, under the foreign news, but buyers absent.

Flour is in good demand, and shows another advance of 12 1/2 cents. Wheat, with sales of 80,000 bushels, has again improved to 2 1/2 cts. bushel. Exporters are free buyers of Flour and Wheat. Importers in the sales was one parcel of 70,000 bushels Wheat at \$2 10, nearly \$150,000, the largest single transaction ever made in the market. Corn is also better. Feeders were entertained that the cold weather would interrupt the navigation of the Canal and arrest an immense amount of breadstuffs now on the way to market. Supplies are higher, but is not active, as operators are waiting for the letters of Canada.
